### **Fairlawn Plaza – What would you like to see?**

Still no news but if you want to have your say go to the website ([glabarpark.ca](http://glabarpark.ca)) and tell us what you would like to see. We'll pass along the results to Loblaws.

### **Ditching Update**

Ditching work will be completed by Mid May. The city says the majority of the work to be completed is some grading, adding topsoil and seeding

### **Home Security - Did you know?**

According to report on CJOH, April 22, 2009, thefts of Global Positioning Systems (GPS) is on the rise. While the units have a big resell value they also can be used to lead the thief to the owners home and with many people also keeping their garage door openers handy in their car the thief can have easy access to the home.

Police recommend not leaving GPS units on display when you leave the car.

### **Motion to change year end of Glabar Park Community Alliance**

The current year end for the community association is April 30 ;  
Many organizations\groups are winding down in May and having end of year meetings ;  
GPCA doesn't meet during the summer months so inertia sets in. Difficult to organize summer fun day etc.  
Move to change the year end to August 31 and have the AGM in September, beginning September 2009.

### **FUND RAISER at Prescott Hotel - YUK YUKS Comedy Night**

The Community Association wants to raise funds to purchase a new snow-blower for Kingsmere Park as well as establish a fund to purchase new equipment for the Park. If you have ideas on what is needed in the Park, come out to AGM on May 11 or comment via the website ([glabarpark.ca](http://glabarpark.ca))
